Jennifer Houston has joined Katz & Associates as a senior director in its office in Boca Raton, Florida.

In her new role, Houston will focus on tenant and landlord representation throughout the region.

Houston brings more than 18 years of retail leasing experience in the Sunshine State, having worked with some of the top retail and restaurant tenants in leasing urban-core, mixed-use and grocery-anchored centers. Most recently, Houston handled leasing in Wynwood, Miami's MIMO District, West Palm Beach and Tampa/St. Petersburg with Tricera Capital, and before that was the director of Florida leasing at Edens, where she focused on leasing and merchandising.
